Included Components

If you need any assistance please call TrippNT at 1.800.874.7768 or email us at Customerservice@TrippNT.com

TrippNT Suture Cart

Unpacking the Cart

The main pieces of the cart come nested together. Remove the middle shelf (D) from the right side of the cart base (A) and set aside.

Lift the cart top (B) out from inside the cart base (A).

Care Instructions for Your Cart

This product can be cleaned with a solution of water or with a mild organic solvent. Use of strong solvents is not recommended.

Accessories and Replacement Parts

A variety of accessories and replacement parts are available at:

[TrippNT.com/CartAccessories](https://www.trippnt.com/CartAccessories) or from your normal TrippNT Distributor

Return cart base (A) to upright position. Lay the middle shelf (D) into the grooves on the inside of the cart base (A). They should pop into place.

Next place the cart top (B) inside the cart base (A). The cart top should rest on top of the middle shelf (D) installed in the last step.

TrippNT Suture Cart

Assembling the Cart

Insert the cap nut (F) through the holes in the cart base (A) and cart top (B) as shown above. Tighten the cap screw (E) into the cap nut (F). Repeat with all four holes.
